ČESTITKE ŠKOLI ZA 50. ROĐENDAN

Draga školo,
Danas je tvoj veliki dan,
Danas slaviš 50. rođendan!

Srce mi postaje sve veće
Dok ti želim puno uspjeha i
sreće!

Budi uvijek puna znanja,
pjesme i igara,
Ovo ti želim s puno žara.

Još više pehara, medalja i
bar još neko priznanje
Nek' bude nagrada za svaki
tvoj uspjeh i znanje.

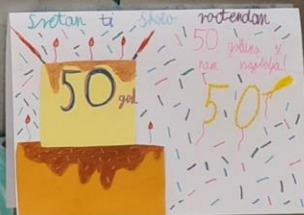

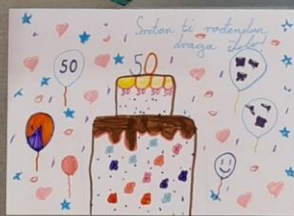

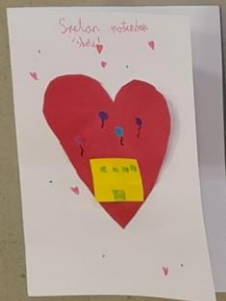

Da čvrsto stojiš još bar 100
ljeta
I da potresu nikad više ne
budeš meta.

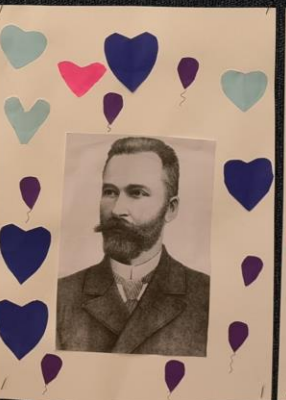

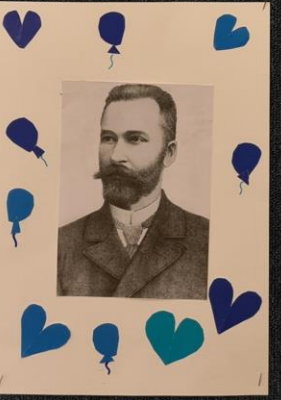

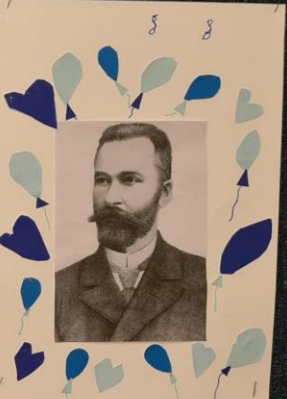

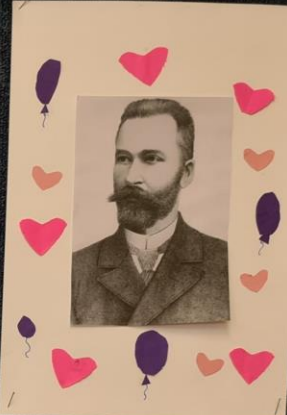

Da i dalje budeš mjesto
obrazovanja,
Kao i mjesto podrške i
razumijevanja.

Želim ti puno prijateljstava,
radosti i lijepih sanja,
I naravno - glavica željnih
znanja.

Želim ti sve najbolje u
budućem radu,
I da budeš najbolja škola u
gradu.

Povodom tvoje
rođendanske pedesetice
želimo svim učenicima
samo petice!
